Assemblymember, 18th District

Dear Neighbor:

Later in life, eyes become more susceptible to common eye diseases and disorders. It is important for seniors to have an annual eye exam in order to detect early stages of problematic eye conditions while they can be prevented or corrected.

In observance of National Glaucoma Awareness Month, optometrists from the California Optometric Association welcome you to participate in the **2nd Annual FREE Eye Screening Clinic for Seniors on Friday, January 9, 2009 at the Marina Community Center in San Leandro.**

To RSVP for a FREE eye screening, please contact the Assembly District Office at (510) 583-8818. Please note a limited number of eye exams will be available due to time constraints.

Please come receive a free vision screening and discuss legislative issues

Friday, January 9th from 10:00 a.m. to 1:00 p.m.

Marina Community Center, Titan Auditorium

15301 Wicks Blvd., San Leandro

Screenings available:

- Glaucoma
- Cataracts
- General Vision
